Common Core State Standards District Transition Plan 2010-2014

By the 2014-2015 school year, our district will be fully implementing the Common Core State Standards (CCSS) in English Language Arts for Grades K-12, Mathematics for Grades K-12, and Literacy in History/Social Studies, Science, and Technical Subjects for Grades 6-12. In order to meet this state requirement, our district will implement the following Transition Plan.

Transition Plan related to Curriculum and Instruction:

	aram and monderon.
When and how we will	
crosswalk our district	
curriculum (e.g., curriculum	
maps, scope and sequence)	
with the CCSS.	
What we will do when we	
encounter differences between	
our district curriculum and	
CCSS.	
How we will ensure that	
concepts and skills that appear	
in a different grade in CCSS	
from where they appear in	
<i>PASS</i> will be taught effectively	
between now and 2014-2015.	
How we will determine what	
curriculum materials are	
needed at each grade level to	
implement CCSS.	
How we will ensure that	
curriculum materials are in the	
proper places for implementing	
CCSS.	
How and when we will acquire	
curriculum materials that are	
not already in the district.	
How we will identify and	
analyze the quality of	
instructional materials that	
reflect the changes in the	
CCSS.	
Other curriculum issues	

Transition Plan related to Assessments:	
How we will determine if	
our current district	
assessments measure	
student knowledge and	
skills as listed in CCSS.	
How and when we will	
make modifications to our	
district assessments if	
needed.	
How we will ensure that	
students continue to be	
prepared for state	
assessments aligned to	
PASS prior to the 2014-	
2015 school year.	
How we will prepare our	
students for common state	
assessments aligned to	
CCSS.
